

Quotation Policy

January 2021

To our valued customers,

Below you will find Studs Unlimited written quotation policy.

- Current Pricing determines material pricing at the time of shipment.
- Material quotes are valid for 15 days / after which are expired
- All confirmed quotes must reflect linear footage quantities for each item
- All confirmed quotes are valid for 120 days only / after which are expired
- Items not reflected on the confirmed quote are current priced at the time of shipment
- Ordered quantities of materials exceeding the original confirmed quoted quantity for that item will be priced at current pricing at time of shipment for the balance overage of that item.
- Quotations are not transferable
- A minimum of 40,000 pounds of steel validates a material quote

Respectfully,
